

# H.S. STAR

International Fisheries

Processor & Exporter of all kind of Seafood

D-4, Fish Harbour, West wharf Road  
Karachi-Pakistan

**H.S. STAR** International Fisheries  
Processor & Exporter of all kind of Seafood

## About Us

H.S Star International Fisheries is a leading seafood exporter in Karachi, Pakistan. With 40 years of experience, professionally trained staff, and a focus on healthy eating, we strive to become the leading exporter and processor of fresh frozen seafood while promoting sustainable marine ecosystems

## Our Expertise

- Professionally trained staff ensuring top-quality products
- Wide range of seafood: fish, shrimp, and more
- Exporting to 20+ countries, including USA, China, Japan, and UAE

## Mission

Promoting healthy eating through quality food items, measured at every step.

## Operations

- Processing: Ensuring freshness and quality
- Trading: Efficient supply chain management

## Vision

To become the premier exporter and processor of fresh frozen seafood, fulfilling highest quality standards while supporting marine ecosystem restoration in Pakistan
